

PERA 2018 Call for Posters

IEEE PES IIT Kanpur student branch chapter and IEEE UP Section PES/IAS Jt. chapter at IIT Kanpur brings Power Engineering Research and Applications 2018 (PERA 18) with the theme of “Real-Time Digital Simulations for Power Engineering Applications”. PERA18 invites you to participate in the poster session. This poster session will provide an opportunity for presenters to showcase their completed work or relevant results or work in progress in all area related to the modern power system.

Poster presentations will be an integral part of this event, with the session for interactive discussion between presenters and attendees. In general, PERA18 is interested in the poster of recent research issues or realistic applications in the following topics of interest (but not limited to):

BEST POSTER
All posters would be evaluated for the Best Poster Award.

Last date for poster submission (Phase 1)
30th Sep, 2018

Poster acceptance notification
15th Oct, 2018

Camera-ready submission
25th Oct, 2018

Poster Submission Guidelines

- We recommend that the submitted poster should include the introduction, method, and result sections.
- All submissions should be written in English and should be in portrait format with a maximum size given by the A1 (594 x 841 mm) standard including all figures and references.
- Authors must follow the standard IEEE format and materials must be in PDF format with embedded fonts.
- Note that, in order to maintain interactive and exciting poster presentations, we require at least one presenter per accepted poster to attend the event.
